High school students may pick up second semester schedules at the top of the high school hallway on Monday morning.

Students in grades 5 and 6 will receive schedules showing quarter 3 essentials rotation from their homeroom teachers on Monday morning.

Support our CIS Sports programs - view the attachments - GO COMETS!

CIS needs your continued support! Please assist with the Spring Musical, "GREASE" - https://www.donorschoose.org/project/grease-spring-musical-costumes/4580638/?utm_source=dc&utm_medium=directlink&utm_campaign=teacherhub&utm_term=teacher_2933760&rf=directlink-dc-2019-11-teacherhub-teacher_2933760&challengeid=20585599

With the roll forward of an anonymous reporting system, "Say Something", we should find ourselves better connected with a number of triage and local officials to assist in threats, or other situations which may bring potential harm to our students. Please review the attachment parent information. School and community shootings and tragedies are all around us. All teachers were trained this week and our students equally received training in the program. Add the Say Something app to your mobile device!

The anonymous reporting system through the use of this app has already prevented two crisis situations from occurring at our school. The second one even occurred while we were on our Winter Break. Please take advantage of this program by downloading the app today.

Please note - REPORT CARDS will be distributed to students on the afternoon of January 13. Plans for the Honor Roll, Perfect Attendance and Positive Referral Celebrations are scheduled for Friday January 17. A schedule for grade level celebrations will be forthcoming.

Congratulations to our Spelling Bee - Winner - Venancia Fragapane. Our runner up, Akshith Byreddy, will also be attending the Regional Spelling Bee at Queen City Stem School, (date to be determined)

Donna Harkey, CIS Principal
