- June 2nd- 5th Grade Graduation: 1:30 pm
- June 3rd-Last day of school!

Apr. Sunshine Students!

## *A Note From The Assistant Principal,*

Hello Excellent Elementary CIS Parents!

***"Spring: a lovely reminder of how beautiful change can truly be." – Anonymous***

It is hard to believe that it is May! As an educator, I truly value the social interactions we are able to have with students. It is remarkable when I walk into a classroom and see a student learning to read, watch students engage in challenging math problems, or hear the sounds of laughter when I walk out to the playground during recess. As the year comes to an end, these are the little things that I will personally miss the most!

This has been a year of flexibility, adaptability, and resilience embraced by everyone to do the best we can for our students. As we enter the month of May, positive change will occur once again. As the quote above reminds us, change can also be a wonderful opportunity! We have so much to celebrate in K-5, I am so excited to share that we will have a Kinder and 5<sup>th</sup> grade graduation and an amazing Field Day! In addition, an awards day for grades 1<sup>st</sup> through 4th grade! CIS will also offer summer enrichment and remedial opportunities for our scholars.

Despite all of the challenges, this has been another productive, positive, and rewarding school year for our staff and students. We look forward to our last month of school and, as always, appreciate your partnership in this process. Please let me know if you have any questions or if I can support your child's learning experience in any way.

**When we take care of each other, we take care of the world!**

 **Congrats CIS Scholars!** 

**Kinder Graduation: 5/31 (1:30 pm): 5th Grade Graduation: 6/2 (1:30 pm)**

## 4th Grade Service Project

4th graders will be participating in Red Nose Day. Red Nose Day is a campaign with the mission to end child poverty by funding programs that keep children safe, healthy, educated and empowered.

The World Is Our Family!
