CIS celebrates International Studies and Environmental Studies. These two disciplines separate CIS from other schools. Our International Festival will be celebrated on Friday, November 15th, during our school day. We have many activities planned for the day for all grades K - 12, and of course parents are always welcome!

A few of the items on our agenda include an assembly for grades K - 4 beginning at 9:30 until 10:15. We will celebrate with International music from the band and the chorus and Salsa dancing from the HS Spanish classes. We may also enjoy a Karate demonstration. For lunch, (if your student preorded) catered orders from Red Dragon and Mi Casa will be delivered to classes beginning at 11:00. (We will NOT sell pizza on this day, so if you did not preorder a catered lunch, please send your student with a lunch from home. NO catered lunches will be available for purchase on Friday).

CIS partners with 13 sister countries - our International Festival includes these countries in our celebrations
