

Carolina International School
2022 -2023 Dress Code Matrix
High School only

Every student must be in full uniform whether he or she is in school, on campus, or under the school's jurisdiction, including all school- sponsored activities, whether on- or off-campus, such as field experiences, academic competitions, and school-sponsored social and recreational events. In homeroom, if a student is found to be wearing inappropriate attire, a dress code referral will be written. The students will be sent to the office and offered alternative clothing from the school, or the student will call their parent/guardian to bring alternate clothing.

The wearing of a uniform will not prohibit students from wearing attire that is part of their religious practice.
