Notice Regarding Student Contact Information, Emergency Contacts, and Pick-Up

List:

If the information you filled out at the beginning of the year on the online registration forms is still current and has not changed since you filled them out, please disregard this message (These are the yearly online forms where you list emergency contacts, pick-ups, and any changes in address/phone number/email, etc.).

If, however, you contacted the school AFTER you submitted the online form to make a change (i.e. add a person to the pick-up list, change your email or phone number, etc.), please send an email to registrar@ciscomets.com with your child's name and the information you added or changed. **Please only send an email if you called or emailed us to make a change AFTER you filled out the online forms.** If you did not fill out the online forms, please do so. A link was resent to all who have not filled out these forms on 11/22/19. We apologize for any inconvenience. We are asking for this information because, due to some recent changes between our online registration system (where you fill out the yearly online forms) and our PowerSchool Student Information System Database, we will be delivering the data from the online forms to the PowerSchool Database. Any contacts and information that you submitted in the online forms you filled out will replace the information in our PowerSchool Database. Again, if they are on the forms, nothing will change. For questions, please contact Leahna West at registrar@ciscomets.com or 704-455-3847 ext. 5520.
